LibraryReads is a new program that harnesses the value of "staff library picks" into a single nation-wide discovery tool, a monthly list of ten newly released must-reads.

Any Public Library Staff Member Can Nominate Books! Here's how:

If you are already an Edelweiss user and registered as a public librarian you are already a LibraryReads librarian. To recommend a title, find the book page while logged into Edelweiss and click on "Your Review."

You will see the check the "Submit to LibraryReads" box on the bottom right of that box; click on it when saving your review to nominate that title.
